General Notes:

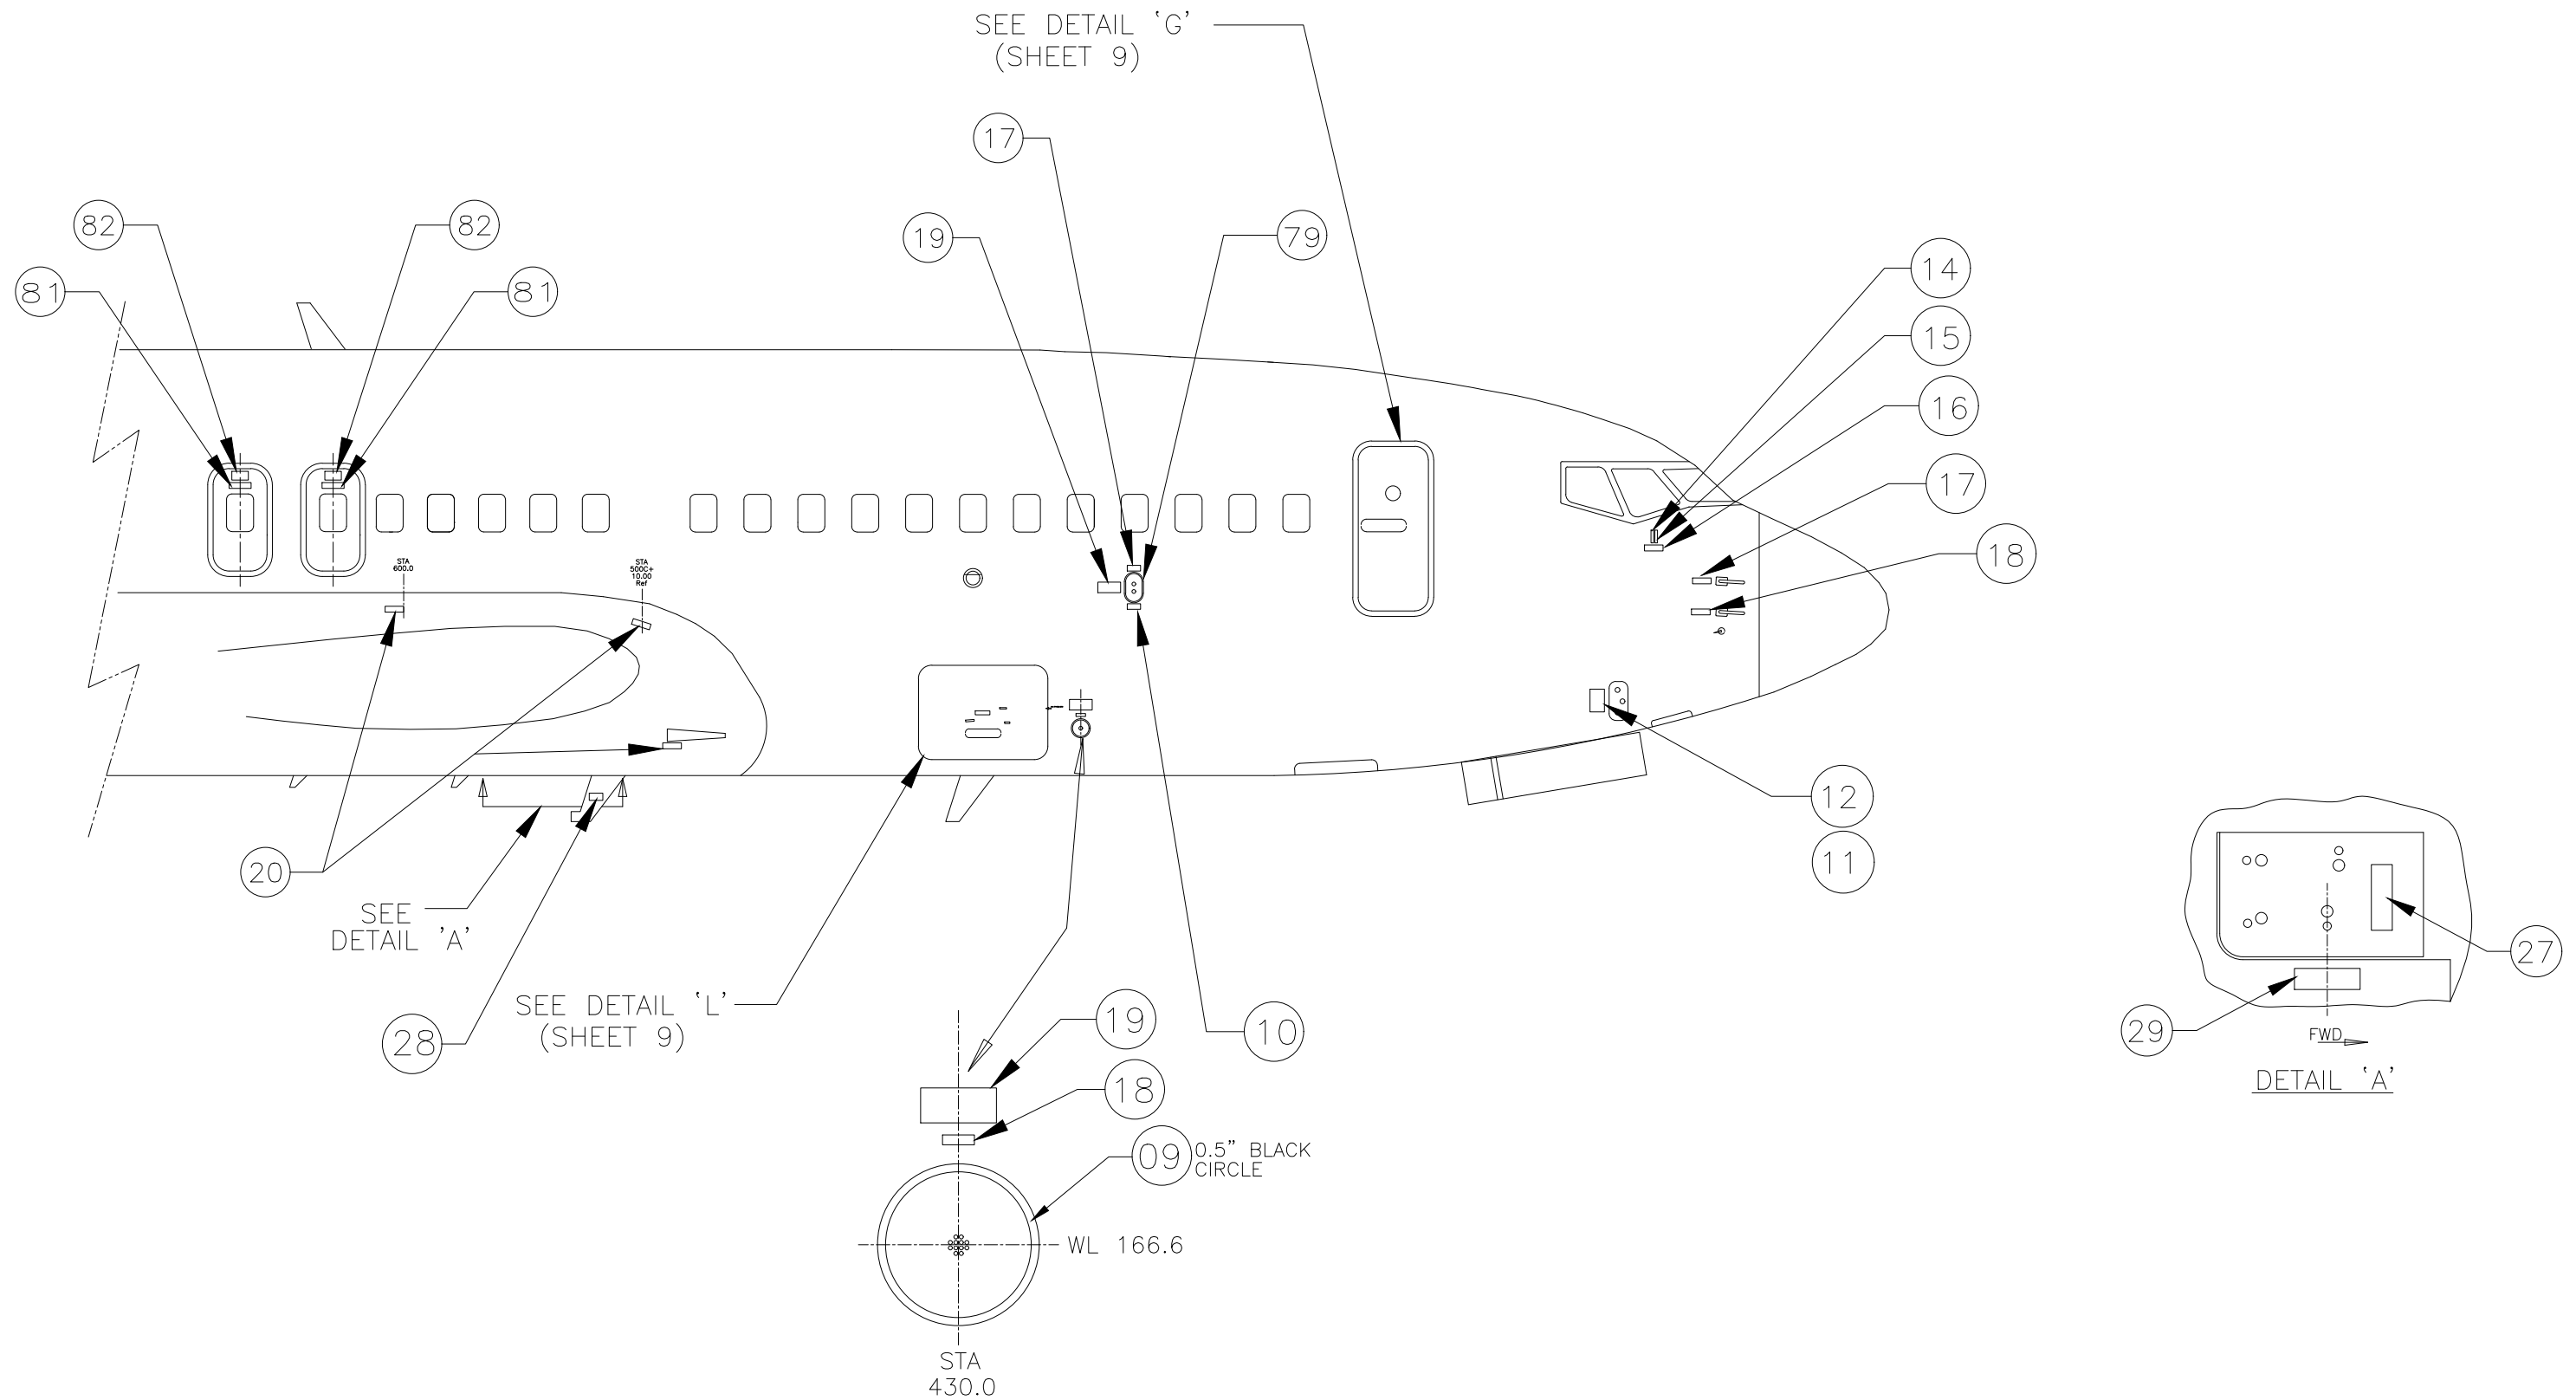

1. Install decals per AMM 11-00-00.  
Edge seal decals using suitable clear coat paint.
2. Do not scale from drawing. Use only dimensions indicated. Report any errors or omissions to the Engineering Design Department by emailing [parcdesign@cae.com](mailto:parcdesign@cae.com)
3. Locations and part numbers derived from the Boeing drawings listed below. Refer to these drawings for further details as required.  
-> 414A4900-2           -> 414A4950-2  
-> 414A4910-5           -> 414A4960-1  
-> 414A4920-2           -> 414A4960-2  
-> 414A4930-2           -> 414A4970-1  
-> 414A4940-1           -> 414A4980-1
4. Refer to mandatory markings in aircraft AMM and local authority requirements in conjunction with this drawing.
5. Refer to Aviation Graphix Kit P/N GRX118D1000 for equivalent part numbers to decals.
6. Replace Decals as required, ensuring all mandatory placards are in place per AMM requirements
7. Ensure all text and markings contrast with background
