10.10. The Winner in the request for quotations, request for proposals.

10.10.1. It shall be recognized the Winner in the request for quotations that procurement bidder which conforms to the requirements set by procurement documentation, which has failed a request that meets all the requirements set by procurement documentation and where it is stated the lowest price for goods, works, and services.

10.10.2. It shall be recognized the Winner in the request for proposals that bidder which conforms to the requirements set by procurement documentation, which has proposed the best combination of terms for the performance of an agreement and to the request for participation in the request for proposals is assigned number one. The assignment of the sequence number to each request for participation in the request for proposals as the advantage degree of the terms for the performance of an agreement contained in such request decreases, shall be done by the results of final point calculation for each request. Number one shall be assigned to the request for participation in the request for proposals which has gained the highest final point. The final point of each request for participation in the request for proposals shall be calculated by adding points for each criterion for the assessment of such request.

If more than one requests for participation in the request for proposals include equal combination of terms for the performance of an agreement, a lesser sequence number shall be assigned to the request for participation in the request for proposals which has been received earlier than other requests for participation in the request for proposals which contain such terms.

10.11. Based on the results of examination and assessment of requests the competition commission shall issue a record of the results of the request for quotations, request for proposals. The Record shall be signed by the Chairman and the Secretary of the Competition Commission not later than in ten (10) days from the day of the meeting of the competition commission.

10.12. The Record shall be posted in the unified information system not later than in three (3) days from its signature.

10.13. The term for signing of the agreement with the bidder whose proposal is considered the best – shall be not later than seven calendar days from the date of receipt of the agreement from the customer.

10.14. Should the winner in the request for quotations be evading the conclusion of the agreement, the Competition Commission may take a decision to sign the agreement with the bidder which offered the same price in its request as the winner, or whose proposal of the agreement price contains better terms after those proposed by the winner. The agreement with such bidder shall be signed on the terms of the draft agreement attached to the procurement documentation at the price offered by such bidder in the quotation request. Such bidder is not entitled to waive the conclusion of the agreement.

Should the bidder which offered the same price in the quotation request as the winner, waive the conclusion of the agreement, or which proposed the terms next to the ones proposed by the winner, the request for quotations shall be recognized failed.

10.15. Should the winner in the request for proposals be evading the conclusion of the agreement, the competition commission may take a decision to conclude an agreement with the bidder whose request was assigned number two by the results of assessment and comparison of requests (proposals), on the terms of the performance of the agreement proposed by such bidder in the request. Such decision shall be executed as the relevant record of the meeting of the competition commission. The bidder in the request for proposals is not entitled to waive the conclusion of the agreement.

10.16. Should the bidder in the request for quotations, request for proposals be evading the conclusion of the agreement, the competition commission may take another decision which is

different from the one referred to in clauses 10.14 and 10.15, including on recommendation of the procurement from the single supplier.

10.17. The Customer may without giving a reason take a decision to waive the conclusion of the agreement without compensation to the winner or other bidder of expenses incurred by it related to the participation in the procedure for request for quotations, request for proposals.

10.18. Should the customer waive the conclusion of the agreement with the winner in the request for quotations and the bidder which proposed the same price in the quotation request as the winner, or whose proposal of the agreement price contains better terms next to the ones proposed by the winner as well as if the customer waives the conclusion of the agreement with the winner in the request for proposals and the bidder whose request was assigned number two, the customer shall post its notice on recognition of the request for quotations, request for proposals failed, in the unified information system.

10.19. In holding the request for proposals the Customer may, after completion of the assessment and comparison of proposals, grant an option to the bidders to raise the preference of their requests by reducing the price initially stated in the request (to announce re-bidding). A notice to the bidders about the commencement of re-bidding shall be made by posting a notice on the electronic trading facility. The Customer may announce a secret or public re-bidding. Re-bidding shall be deemed secret unless otherwise is contemplated in the notice of the Customer.

To participate in the re-bidding provided that it is announced, the bidders may, in the term set by the customer, submit a new price proposal. Such new price proposals signed by the bidders shall be submitted in the same order as the requests for participation in the procedure for request for proposals. New proposals on other terms for the performance of the agreement (except price) shall not be examined within such re-bidding. The price received in the course of such re-bidding shall be deemed final proposal of the bidder.

11. Consequences of Recognizing the Request for Quotations, Request for Proposals Failed

11.1. Should the request for quotations, request for proposals be recognized failed and/or the agreement is not concluded with the procurement bidder which has submitted the only request for participation in the request for quotations, request for proposals or recognized the only bidder in the request for quotations, request for proposals, the Customer may hold the repeated request for quotations, request for proposals or apply another method of procurement.

12. Closing Provisions
