### **Assessment and Comparing Criteria of Quotes**

<b>Lot №1</b>	
Name of Criterion 1	NTE Price
Points Calculation Procedure for Criterion 1	The number of points for the criterion = minimum NTE price repair (USD) of all proposals received divided by the offer price on which to calculate points, multiply the maximum score by criterion.
Maximum number of points for criterion 1	70
Name of Criterion 2	Turnaround Time
Points Calculation Procedure for Criterion 2	The number of points for the criterion = minimum repairs (in calendar days) of all proposals received divided by the period of the offer, for which points are calculated, multiplied by the maximum number of points criterion.
Maximum number of points for criterion 2	30

For a comparative assessment of bidders of request for proposals to select a supplier will use the following methodology:

In case of receipt of application from the participant with the basis of delivery EXW, the price of the contract for valuation purposes is calculated by the following formula:

$$N = P + T1 + T2 + T3 + T4 + D$$

where:

N – the price of the contract

P - the value proposition of the provider.

T1 - charges for customs clearance.

T2 - customs duties.

T3 - cost of services of the customs representative.

T4 - the cost of registration of Declaration of compliance (if required for customs clearance of goods).

D - the cost of transportation

Common basis for comparison of proposal shall be quoted prices of all bidders excluding VAT.

### **1. General Terms of the Procurement Procedure**

1.1. The Procurement is undertaken in accordance with the Federal Act dated 18 July 2011 No. 223-FZ "On Procurement of Goods, Works, Services by Certain Types of Legal Entities" and Regulation on Procurement of Goods, Works, and Services (P 20-33-17 Edition 3).

## **9. Requirements for the Contents, Form, Execution and Setup of the Request for Participation in the Procurement**

9.1. The bidder's Request shall include the following documents:

9.1.1. The Request for participation in the procedure executed on the official letterhead of the procurement procedure bidder (Appendix 1).

9.1.2. The bidder's Questionnaire Form executed on the official letterhead of the procurement procedure bidder (Appendix 2).

9.2. All documents and information submitted by the bidders shall be issued in Russian or English. If any information or documents are submitted in other language, they shall be accompanied by translation into Russian or English.

9.3. All prices shall be stated in the currency of the initial (maximum) price of the agreement (lot price). If the price in the bidder's request is set in the currency which is different from the initial (maximum) agreement price (lot price), the Customer may recalculate the price into the required currency at the rate as of the end date for taking the requests for assessment and comparison of requests.

9.4. The Request validity period for participation in the procurement shall be at least 90 days from the end date for submission of requests for participation in the procurement.

9.5. A request shall be provided for each lot separately.

9.6. A request shall include one main request with the price, dates and other terms of delivery of goods/performance of works/provision of services provided that submission of alternative proposals is not contemplated by procurement documentation.

9.7. The Bidders shall pay independently all expenses related to submission of the request, including but not limited to expenses for examination of this documentation and issuance of proposals.

## **10. Procedure for Examination, Assessment and Comparison for Requests to Participate in Procurement**

10.1. Requests for participation in procurement shall subject to two-stage check:

Stage one – is a pre-qualification stage of examining such requests for the conformity with the requirements of procurement documents in part of execution of such requests;

Stage two – is an assessment stage of requests passed the pre-qualification stage.

10.2. The pre-qualification stage of examining of requests for the conformity with requirements of procurement documentation shall be carried out based on the following indicators and assessment procedure:

10.2.1. Conformity with the requirements for procurement bidders: checking the bidders for the conformity with the requirements based on documents received in accordance with clause 8, including but not limited for its legal capacity and a lack of a procurement bidder in the register of mala fide suppliers.

10.2.2. The completeness of the documents submitted: check for the conformity of the documents submitted in the request with the required list (Appendix 1 and 2) as well as the accuracy of information and documents submitted.

10.2.3. Conformity of the request for participation with the requirements of procurement documents: check for the contents of the request, including the contents of the price proposal, other information in accordance with the requirements of procurement documentation.

10.3. If in the course of the pre-qualification stage the competition commissions establishes the fact that the request fails to conform by one or more indicators referred to in clause 9, such request shall be waived and shall be subject to no further examination.

The request of the procurement bidder may also be waived in the following instances:

- a) there is a failure to submit copies of documents as well as other information required by the procurement documentation;
- b) non-conformity of the procurement bidder with the requirements for the procurement bidders set by procurement documentation;
- c) submission of knowingly false information as a part of the request, intentional misrepresentation of information or documents making a part of such request;
- d) a failure to provide clarifications on the request for participation in the request for quotations upon request of the Competition Commission;
- e) existing information on the procurement bidder in the register of mala fide suppliers;
- f) existing overdue accounts receivables with the procurement bidder and/or unfulfilled obligations to the customer and its subsidiaries and related companies (including affiliated structures with the procurement bidder);
- g) non-conformity of goods, works, and services offered with the requirements of procurement documentation;
- h) existing other adverse information identified by the results of the check.

10.4. If only one request for participation in the request for quotations, request for proposals is received by the completion date for submission of requests for participation in the request for quotations, request for proposals established by procurement documentation, such request for quotations, request for proposals shall be deemed failed.

10.5. If procurement documentation provides for two or more lots, a request for quotations shall be deemed failed with respect to those lots only with respect of which the only request has been submitted.

10.6. If the only request for participation in the request for quotations, request for proposals is received by the customer by the completion date for submission of requests set by procurement documentation, despite the request for quotations, request for proposals is recognized failed, the competition commission shall examine it in the manner contemplated by this documentation. If the request for participation in the request for quotations, request for proposals being examined and the procurement bidder submitted such request conform with the requirements and terms contemplated

by procurement documentation on holding such request for quotations, request for proposals, the Customer is entitled to enter into an agreement with such bidder.

10.7. If a request of the only bidder is recognized conforming with the procurement documentation at the pre-qualification stage, such bidder shall be deemed the only bidder in the request for quotations, request for proposals. The Customer may enter into an agreement with the procurement bidder which has submitted such request, on the terms of procurement documentation, draft agreement and request submitted by such bidder. Such bidder is not entitled to waive the conclusion of the agreement with the customer. The request for quotations, request for proposals shall be deemed failed in such case.

10.8. The request which have passed the pre-qualification stage shall be assessed by criteria stated in the Assessment and Comparison Criteria of the Requests table. The proposal prices of all bidders excluding VAT shall be used as a single basis for comparing price proposals.

10.9. If in the course of assessing the requests for participation in the request for quotations, request for proposals the Competition Commission is necessary to extend or reduce the dates of pre-qualification and/or assessment stage stated as the dates for examining proposals of the procurement bidders and summarizing the procurement results, in the notice on holding a request for quotations, request for proposals the customer shall, within one working day after a decision is made by the competition commission on extension or reduction of the dates for the pre-qualification and/or assessment stage, post a notice on the extension or reduction of the relevant term in the unified information system.

10.10. The Winner in the request for quotations, request for proposals.

10.10.1. It shall be recognized the Winner in the request for quotations that procurement bidder which conforms to the requirements set by procurement documentation, which has failed a request that meets all the requirements set by procurement documentation and where it is stated the lowest price for goods, works, and services.

10.10.2. It shall be recognized the Winner in the request for proposals that bidder which conforms to the requirements set by procurement documentation, which has proposed the best combination of terms for the performance of an agreement and to the request for participation in the request for proposals is assigned number one. The assignment of the sequence number to each request for participation in the request for proposals as the advantage degree of the terms for the performance of an agreement contained in such request decreases, shall be done by the results of final point calculation for each request. Number one shall be assigned to the request for participation in the request for proposals which has gained the highest final point. The final point of each request for participation in the request for proposals shall be calculated by adding points for each criterion for the assessment of such request.

If more than one requests for participation in the request for proposals include equal combination of terms for the performance of an agreement, a lesser sequence number shall be assigned to the request for participation in the request for proposals which has been received earlier than other requests for participation in the request for proposals which contain such terms.

10.11. Based on the results of examination and assessment of requests the competition commission shall issue a record of the results of the request for quotations, request for proposals. The Record shall be signed by the Chairman and the Secretary of the Competition Commission not later than in ten (10) days from the day of the meeting of the competition commission.

10.12. The Record shall be posted in the unified information system not later than in three (3) days from its signature.

10.13. The term for signature of the agreement with the bidder whose proposal is recognized the best – not later than seven calendar days from the date of the receipt of such agreement from the Customer.

10.14. Should the winner in the request for quotations be evading the conclusion of the agreement, the Competition Commission may take a decision to sign the agreement with the bidder which offered the same price in its request as the winner, or whose proposal of the agreement price contains better terms after those proposed by the winner. The agreement with such bidder shall be signed on the terms of the draft agreement attached to the procurement documentation at the price offered by such bidder in the quotation request. Such bidder is not entitled to waive the conclusion of the agreement.

Should the bidder which offered the same price in the quotation request as the winner, waive the conclusion of the agreement, or which proposed the terms next to the ones proposed by the winner, the request for quotations shall be recognized failed.

10.15. Should the winner in the request for proposals be evading the conclusion of the agreement, the competition commission may take a decision to conclude an agreement with the bidder whose request was assigned number two by the results of assessment and comparison of requests (proposals), on the terms of the performance of the agreement proposed by such bidder in the request. Such decision shall be executed as the relevant record of the meeting of the competition commission. The bidder in the request for proposals is not entitled to waive the conclusion of the agreement.

10.16. Should the bidder in the request for quotations, request for proposals be evading the conclusion of the agreement, the competition commission may take another decision which is different from the one referred to in clauses 10.14 and 10.15, including on recommendation of the procurement from the single supplier.

10.17. The Customer may without giving a reason take a decision to waive the conclusion of the agreement without compensation to the winner or other bidder of expenses incurred by it related to the participation in the procedure for request for quotations, request for proposals.

10.18. Should the customer waive the conclusion of the agreement with the winner in the request for quotations and the bidder which proposed the same price in the quotation request as the winner, or whose proposal of the agreement price contains better terms next to the ones proposed by the winner as well as if the customer waives the conclusion of the agreement with the winner in the request for proposals and the bidder whose request was assigned number two, the customer shall post its notice on recognition of the request for quotations, request for proposals failed, in the unified information system.

10.19. In holding the request for proposals the Customer may, after completion of the assessment and comparison of proposals, grant an option to the bidders to raise the preference of their requests by reducing the price initially stated in the request (to announce re-bidding). A notice to the bidders about the commencement of re-bidding shall be made by posting a notice on the electronic trading facility. The Customer may announce a secret or public re-bidding. Re-bidding shall be deemed secret unless otherwise is contemplated in the notice of the Customer.

To participate in the re-bidding provided that it is announced, the bidders may, in the term set by the customer, submit a new price proposal. Such new price proposals signed by the bidders shall be submitted in the same order as the requests for participation in the procedure for request for proposals. New proposals on other terms for the performance of the agreement (except price) shall not be examined within such re-bidding. The price received in the course of such re-bidding shall be deemed final proposal of the bidder.

## **11. Consequences of Recognizing the Request for Quotations, Request for Proposals Failed**

11.1. Should the request for quotations, request for proposals be recognized failed and/or the agreement is not concluded with the procurement bidder which has submitted the only request for participation in the request for quotations, request for proposals or recognized the only bidder in the request for quotations, request for proposals, the Customer may hold the repeated request for quotations, request for proposals or apply another method of procurement.

## **12. Closing Provisions**

The Customer shall be governed by the Procurement Regulation in all other matters not contemplated by this documentation.

6. For a group (for several persons) of persons acting on the part of one procurement bidder, it shall be submitted additionally a copy of the document evidencing the union of persons acting on the part of the one procurement bidder into the group, and the right of a certain procurement bidder to participate in the procedure on behalf of the group of persons, including submit a request for participation, to sign an agreement.	
<b>5. Contact person</b> _____ <i>(state last name, first name, patronymic, telephone, fax, e-mail)</i>	
<b>This is to confirm by the bidder the accuracy of all data stated in the Questionnaire Form.</b>	
<div style="display: flex; justify-content: space-between; align-items: flex-start;"> <div style="text-align: center;"> <b>Principal</b>  <i>(title of the Principal)</i>    <b>SEAL</b> </div> <div style="text-align: center;">       _____  <i>(signature)</i> </div> <div style="text-align: center;">       _____  <i>(state initials, last name)</i> </div> </div> <div style="display: flex; justify-content: space-between; align-items: flex-start; margin-top: 10px;"> <div style="text-align: center;">       Date of Issuance     </div> <div style="text-align: center;">       _____  <i>(DD)</i> </div> <div style="text-align: center;">       _____  <i>(MM)</i> </div> <div style="text-align: center;">       _____  <i>(YYYY)</i> </div> </div>	

### **Terms of Reference**

#### **Repair of 4 Auxiliary Power Units (APU) GTCP 131-9(B)**

All requirements specified in points 1...6 of this RFP must be fully accepted by Bidders without any changes, deviations, exclusions and/or interpretations. The submittal of a commercial proposal for Participation in this RFP by a Bidder shall continue the agreement with all the requirements of this RFP.

If there is a valid contract between the Customer and the winner of the procurement procedure, the Customer has the right to conclude a specification/amendment/additional agreement/annex/appendix/other document to the valid contract which should contain the name and the price of lot (s) and the time of delivery (provision of services, execution of works).

Terms of commercial proposal (NTE price per each APU and Turn around time) **MUST BE INCLUDED STRICTLY IN FORM 2** Application for Bidding in the public request for proposal. **ANY EXCLUSION, CLARIFICATION, COMMENTS, SPECIFICATION OR ANY ADDITION, GIVEN BY A BIDDER OUTSIDE FRAME OF FILLED ABOVE MENTIONED FORM 2 WILL NOT BE REVIEWED AND TAKEN INTO ACCOUNT**

#### **1. Terms, Conditions and Procedure of Payment**

- 1.1. Payment shall be arranged by wire transfer.
- 1.2. Invoicing and payment terms: The final invoice of the cost of services shall be paid within at least 30 calendar days from the date of its receipt mutually agreed by both parties.

#### **2. Request, timeframe and general information**

- 2.1. Accomplishment of 4 (four) repairs of GTCP 131-9(B) APU model installed on the B737-800 family aircraft with a main base at the airport Vnukovo, Moscow. The estimated completion date is December 15, 2018.

The APU's serial numbers and estimated SV dates are listed as follows:

<b>APU SN</b>	<b>SV Dates @2018</b>
P-6794 (BSR)	July-Aug 2018
P-7312 (BSS)	Aug- Sep 2018
P-7634 (BUF)	Sep-Oct 2018
P-7386 (BUE)	Nov-Dec 2018

- 2.2. All proposals shall be estimated per following estimation model: Not To Exceed (NTE) refer to workscope for each

APU.

2.3. APU shop visit program start period (estimated): June, 2018.

2.4 Delivery Terms shall be EXW for import to the Russian Federation and DAP foreexport from the Russian Federation.

The APU transportation from the Contactor's shop shall be prepared in coordination with Customer's Logistics Department.

### **3. Requirements for Participant**

All Participants should have capability for accomplishment of requested workscope for GTCP 131-9(B) APU model under EASA Part 145 and FAA Part 145 certificate.

### **4. Major requirements for proposal**

4.1. The proposal shall be provided to cover all of 4 (four) scheduled APU repairs is to be estimated per Not To Exceed (NTE) cost estimation model refer to the following workscope for each APU:

- *Load/driven compressor, APU compressor and turbine section fully disassembled;*
- *Selective use of IRM Zero-time Check criteria is required to ensure the APU meets or exceeds all test parameters including the Heavy Repair performance limits outlined in Engine Manual (EM) 49-26-95.*
- *The APU compressor impeller, first stage turbine rotor, second stage turbine rotor and turbine shaft shall be checked to Zero-Time Check section.*
- *Gearbox repaired as necessary*

A bidder shall have a right to submit its own draft contract, provided it complies with all mandatory conditions as expressly stated in this Procurement Documentation. Meeting all requirements of this Terms of Reference is necessary also.

4.2. Proposal per Not To Exceed must meet following conditions per the workscope:

4.2.1. without any exception and exclusion:

- Labour and engineering support for requested workscope;
- APU receiving, incoming inspection, borescope inspection and inventory check;
- APU disassembly, cleaning, inspection, non-destructive testing, repair and APU reassembly;
- In-house or subcontract repair, overhaul, restoration, reconditioning and refurbishment of APU Parts, including all materials and labour;
- All material handling charges (including subcontracting) and exchanged APU Parts applicable fee Part;
- Repair of Life Limited Parts (LLP);
- Labour for LLP replacement;
- Scrap replacement of APU Parts and applicable handling fees (all scrap material shall be returned to the Customer);
- Accomplishment (including materials) of mandatory service bulletins and Airworthiness Directives (ADs);
- SB 49-8065 accomplishment for APU s/n P-6794.

- Consumable, expendable materials and related fees;
- Certification of APU per EASA Part 145 and FAA
- Maintenance of APU Components according to workscope defined in the Section 4 article 4.2.4;
- Exchange of the parts required to be in compliance with target TAT
- All additional works and materials, which are required to rectify all findings resulting from inspection in accordance with workscope.
- APU outgoing test cell (including all fluids), outgoing inventory check, final inspection, preservation and preparation for shipping;
- Storage of APU up to and including 30 days after APU release date;

#### 4.2.2 Not To Exceed Exclusions:

- 1) FOD event. See the Section 4 article 4.3 for processing FOD event.
- 2) DOD event. See the Section 4 article 4.4 for processing DOD event
- 3) Mishandling, misuse, accidents or incidents such as, but not limited to, operations exceeding the specifications in the manufacturer's manual;
- 4) LLP replacement in accordance with the required Minimum Build Standard 12 000 cycles to go (CTG) per each APU;
- 5) Components and APU Parts that are deemed Beyond Economical Repair (BER), or catastrophic failures;
- 6) Missing APU Parts or APU Components.

#### 4.2.3. Warranties:

- 1) For the workmanship, **Provider** shall guarantee a minimum of 2500 APU hours/cycles or 18 months of APU operation whichever comes first from the APU release date, including all damages occurred related to failure event;
- 2) Each Part or unit supplied, repaired/overhauled by **Provider**, by its vendors and subcontractors then installed on/in the APU will have warranty after APU release date including all damages occurred related to failure event: for new Parts 2500 APU hours/cycles or 18 months, for repaired/overhauled Parts 1500 or 18 months whichever comes later.

#### 4.2.4. The following component (LRU) maintenance shall be included in NTE price, including Labour and materials:

#	APU Component	Reference Part Number	Workscope
1	DMM	3876287-1	Visual at Exposure Test on APU
2	Differential Pressure Transducer (DP)	3876227-2	FT and Repair as Necessary
3	Fuel Atomizer/Fuel Nozzle	3830416-1	FT and Repair as Necessary
4	EGT Thermocouple #1	3876271-1	Visual at Exposure Test on APU
5	EGT Thermocouple #2	3876271-1	Visual at Exposure Test on APU
6	Fuel Control Unit	441921-5	Visual at Exposure Test on APU
7	Fuel Flow Divider	3883830-1	Visual at Exposure Test on APU
8	Fuel Flow Solenoid Valve	692546-4	FT and Repair as Necessary
9	Ignition Lead	3876132-12	Visual at Exposure Test on APU
10	Ignition Plug	305766-1	Visual at Exposure Test on APU
11	Ignition Exciter	3888058-5/-7	Visual at Exposure Test on APU
12	IGV Actuator	3886188-2/3	Visual at Exposure Test on APU
13	Inlet Pressure Transducer (P2)	3876225-2	Visual at Exposure Test on APU
14	Inlet Temperature Sensor (T2)	MS28034-1	Visual at Exposure Test on APU
15	Bleed Air Valve	3291214-2	FT and Repair as Necessary
16	LOP Switch	3876255-2	Visual at Exposure Test on APU
17	Lube Module	4131020-4	Visual at Exposure Test on APU
18	Oil Cooler	160494-1	Clean and Flush and Test on APU

19	Speed Sensor	3876223-1	Visual at Exposure Test on APU
20	Surge Control Valve	3291238-2	Visual at Exposure Test on APU
21	Total Pressure Transducer (PT)	3876226-1	Visual at Exposure Test on APU
22	Total Pressure Probe	3884971-1	Visual at Exposure Test on APU
23	Wiring Harness	3888449-1/-2	Visual at Exposure Test on APU

#### 4.2.5. APU Parts provided and installed by maintenance **Provider**.

- 1) Maintenance **Provider** shall inform Customer prior to installation of replacement LLP or other component previously not installed in the APU (other Part number or serial number, or not original Part for this APU) and receive approval for installation of such Part;
- 2) All Parts proposed (other than new) for installation shall be certified by the OEM APU Shop Manual. If contractually maintenance **Provider** must provide a replacement Part due to Inclusions in the NTE then replacement Part offered must meet this requirement and approved by Customer. Maintenance **Provider** has no rights to skip it or make a decision at its own.
- 3) All materials or components not included in the NTE should be considered as O&A and therefore should be approved by Customer.
- 4) Customer approval needed for all O&A labor and materials with cost greater then USD 10 000 per each
- 5) Back to Birth Records of Used LLPs offered must ultimately meet following requirements:
  - a) each LLP offered meet the conditions of aviation authorities;
  - b) there shall be a proof of origin for LLP offered;
  - c) includes Life Limited Part Maintenance Record sheet and Life Limited Part log;
  - d) Non-incident/non-accident statements (NIS);
  - e) the latest certificate of serviceability (EASA Form 1 or dual releases);
  - f) Compliance all Manufacturer Requirement Storage statement for the LLP offered if Part was stored more than 3 months since the last certification;
- 6) No DER or PMA Parts are allowed for installation onto/into the APU

#### 4.3 FOD influence on the NTE

In case of FOD event, the NTE shall be reasonably reduced and agreed with Customer for the APU Parts impacted and then all these Parts shall be charged on Time and Material basis. Reduction of the NTE for the APU Parts impacted due to FOD is applicable if they are initially included in the NTE offered.

#### 4.4 DOD influence on the NTE

In case of DOD event, the NTE shall be reasonably reduced and agreed with Customer for the APU Parts impacted and then all these Parts shall be charged

on Time and Material basis. Reduction of the NTE for the APU Parts impacted due to DOD is applicable if they are initially included in the NTE offered.

## **5. Material management**

The Bidder is fully responsible for the material management and supply, including LLP's. The Minimum LLP Build shall be met without exception, and the Customer shall not be liable for any cost of the LLP cycle life above the requested Minimum Build Standard. The **Provider** shall return all the scrap material at a designated storage place at its cost with full documentation available.

## **6. Specific technical and formal requirements**

- 6.1. APU certification shall be issued with dual release EASA and FAA, if not specified before APU induction;
- 6.2. After each shop visit a Shop Visit Report should be provided within 10 days after APU release date and Dirty Finger Prints should be provided within 30 days after APU release date. Dirty Fingers Prints shall contain all records for APU and LRU, including verification of Airbus MPD tasks;
- 6.3. All scrapped Parts after each APU shop visit shall remain as property of the Customer and shall be stored free of charge until additional notification but not less than 12 months;
- 6.4. APU storage after shop visit shall be free of charge up to and including 30 days after APU release date.
- 6.5. **Provider** shall provide, upon request from Customer and pending availability, a lease GTCP131-9B APU to Customer under standard bailment terms and conditions to be provided at the time of the lease in a separate APU lease agreement. Provision of a lease APU is subject to the express condition that Customer sends the removed unserviceable APU to **Provider** for repair, and to acceptance of the lease agreement provided by **Provider**. Lease rate and maintenance reserves rates shall not exceed market value.

Lease APU shall meet following requirements at delivery:

- 1) The APU shall not have any Open Deferred Items, limited interval of inspection of any APU Part, On-Watch items;
- 2) The APU should not have any DER/PMA Parts;
- 3) APU Certification per EASA or dual release EASA and FAA;
- 4) Full package of all historical documents and records
- 5) Borescope Inspection report;

Lease APU shall be in serviceable condition and met following requirements at redelivery:

- (I) Documentation package at redelivery:
  - Non-Incident Statement;
  - LLP phase out Status;

- EASA Airworthiness Directives Status;
- No PMA DER statement;
- Certification for replaced components.
- Removal Tag.

(II) Condition at redelivery:

- “as is, where is with all faults” without any additional maintenance for return

All Participants should have capability for accomplishment of requested workscope for GTCP 131-9(B) APU model under EASA Part 145 and FAA Part 145 certificate.

GOST RF is not applicable because the service will be provided in compliance with requirements of foreign manufacturer.

A participant shall have a valid EASA Part 145 and FAA Part 145 certificates for APU GTCP 131-9(B) repair.

This Agreement is made on the date of the signatures of both parties between:

- (1) \_\_\_\_\_ with headquarters at: \_\_\_\_\_  
 (hereinafter referred to as "**Provider**"),
- (2) "**Rossiya airlines**" JSC with headquarters at: 18/4 Pilotov str., Saint-Petersburg, 196210, the Russian Federation, hereinafter referred to as the (hereinafter referred to as "**Customer**"),

Collectively referred to as the "**Parties**" or individually as the "**Party**".

## 1. PREAMBLE

**Whereas**, Customer is an organization in the business of aircraft operation such as, but not limited to the transport of air freight and passengers, and wishes to have **GTCP 131-9(B)** related services performed by **Provider**; and

**Whereas**, **Provider** is repair station with valid certificates EASA Part 145 and FAA Part 145 and repairing APU GTCP131-9(B); and

**Whereas**, Customer has selected **Provider** for the performance of the shop maintenance of **GTCP 131-9(B)** Auxiliary Power Units; and

**Whereas**, Customer and **Provider** desire to set forth the terms and conditions under which **Provider** will provide maintenance for the Customer's **GTCP 131-9(B)** Auxiliary Power Units.

**Now, therefore**, in consideration of the mutually agreed to conditions, covenants and obligations set forth herein, the parties hereby agree to the following terms and conditions:

## 2. DEFINITIONS

The following definitions will apply to terms used in this Agreement:

Abuse	means any operation, line maintenance action, line maintenance testing or storage of an APU/LRU which is not in accordance with the applicable overhaul manuals and/or procedure manuals.
Accident	means any event as defined in the World Airlines Technical Operations Glossary (WATOG)
Airworthiness Authority	means EASA and FAA authorities.
Agreement	means this Agreement including all appendices, amendments, and Orders issued hereunder or otherwise in connection herewith.
APU	means Auxiliary Power Unit.
APU Cycle	means one (1) APU cycle beginning at the initiation of start-up of the APU, continuing through the duty cycle, and ending at shutdown of the APU.
APU Operating Hour	means each hour or part thereof elapsing from the moment operation of the APU is commenced until that operation of the APU is next shutdown. For purposes of all calculations under this Agreement measured in APU Operating Hours, such APU Operating Hours (or part thereof) shall be rounded off to the nearest minute.
BER	means Beyond Economical Repair a Part, an LRU, or an APU for which the repair cost estimate using the pricing conditions then in force is greater than 65% (sixty five percent) of the Part, LRU, or APU's then current OEM catalogue value, or market value whenever an OEM catalogue value is not available.
Catastrophic Failure	means when an APU suffers at least one major rotating component failure resulting in major damage to one or both core engine modules (load compressor and power section). Catastrophic Failure includes bearing failures and turbine blades shifting events.
DOD	means Domestic Object Damage, damage to Parts in the gas path of an APU caused by the failure of parts within the APU or APU system itself.
EASA thereto.	means European Aviation Safety Authority or any successor
Exchange Unit	means a serviceable Equipment transferred to Customer in return for a non-serviceable Equipment.
Equipment	means GTCP 131-9(B) APU and its associated LRUs, owned and/or operated by Customer.

Exchange Part	means each and any component furnished by <b>Provider</b> in substitution for an unserviceable component, which because of its repair cycle cannot be repaired within the Turn Around Time, or accessory of which it forms a part.
FAA	means the United States of America Federal Aviation Administration or any successor thereto.
FOD	means Foreign Object Damage, damage to any portion of an APU caused by an outside object or substance such as stones, hail, or de-icing fluid.
Incident	means any event of a technical or operational nature which may be considered to significantly affect the potential airworthiness of an Equipment (such as but not limited to aircraft hard landing, Equipment handling damage, or external damage caused to the Equipment while it is attached to an aircraft).
Light Repair (APU)	means external work only (electrical harness, LRUs, plumbing) or partial gearbox disassembly. Also called “quick turns” or “continue-time” units. Continue-time inspection criteria applies.
LRU	means Line Replaceable Unit, each and any component
Major Repair (APU)	means at a minimum, complete load compressor and power section disassembly where exposed detail parts are inspected per IRM requirements, to bring the APU to the current Modification Standard. Also called “heavy repair”.
Mandatory SB	means a Service Bulletin defined as Mandatory by OEM
Medium repair (APU)	means partial or complete load compressor disassembly only, partial or complete power section disassembly only or complete gearbox disassembly.
Normal Wear and Tear	means the condition of an Equipment having been subject to normal operation in line with the OEM manuals and excluding: Abuse, Accident, BER condition, Catastrophic Failure, DOD, FOD, Incident, damage caused by metal contamination of the lubrication system, shipping, handling, or other outside influenced damage, as well as any operation, service, maintenance, or repair which is not in accordance with OEM Service Bulletin, Service Information Letter, Manuals or other technical / operational documentation.
OEM	means Original Equipment Manufacturer the original manufacturer of an Equipment or Part.
Order	means any purchase order and amendments hereto issued pursuant to this Agreement including the Terms and Conditions herein.

Part	means any part of an APU or APU LRU.
Repair	means the return to serviceable condition of an Equipment, in accordance with the OEM Component Maintenance Manual, the OEM Illustrated Part Catalog (IPC), and the OEM Material Price List in force.
Rotable Pool	means a stock of <b>Provider</b> owned Exchange Units.
Service Bulletin	means the manufacturer's service bulletin detailing the modifications and changes to be made to an APU, LRU, or any Part thereof at a particular time or stage in the life of the Equipment.
WPG	means Workscope Planning Guide - the document prepared by the Equipment OEM that provides guidelines for shop level maintenance requirements on the Equipment.

### 3. SCOPE OF THE AGREEMENT

The subject of this Agreement is the repair of 4 GTCP131-9 (B) APU with ESN P-6794, P-7312, P-7634 & P-7386.

This Agreement determines for Customer and Provider the is terms, conditions, and provisions according to which Provider is obliged to repair 4 GTCP131-9 (B) APUs, and the Customer is obliged to pay for it, based on the cost of the work of the Provider and materials used which in respect to the agreed amount of work for each APU will not exceed the NTE price specified in Exhibit A, with taking into account all inclusions and exclusions..

### 4. REPAIR SERVICES

#### 4.1 Services to be performed during maintenance

- The services are to be performed that NTE price includes:
  - Labour and engineering support for requested workscope;
  - APU receiving, incoming inspection, borescope inspection and inventory check;
  - APU disassembly, cleaning, inspection, non-destructive testing, repair and APU reassembly;
  - In-house or subcontract repair, overhaul, restoration, reconditioning and refurbishment of APU Parts, including all materials and labour;
  - All material handling charges (including subcontracting) and exchanged APU Parts applicable fee Part;
  - Repair of Life Limited Parts (LLP);
  - Labour for LLP replacement;
  - Scrap replacement of APU Parts and applicable handling fees (all scrap material shall be returned to the Customer);
  - Accomplishment (including materials) of mandatory service bulletins and Airworthiness Directives (ADs);
  - SB 49-8065 accomplishment for APU s/n P-6794.
  - Consumable, expendable materials and related fees;
  - Certification of APU per EASA Part 145 and FAA
  - Maintenance of APU Components according to workscope defined in the Section 4 article 4.2.4;
  - Exchange of the parts required to be in compliance with target TAT
  - All additional works and materials, which are required to rectify all findings resulting from inspection in accordance with workscope.

- APU outgoing test cell (including all fluids), outgoing inventory check, final inspection, preservation and preparation for shipping;
- Storage of APU up to and including 30 days after APU release date;
- Services that are excluded from the NTE price:
  - FOD event. See the Section 4 article 4.3 for processing FOD event.
  - DOD event. See the Section 4 article 4.4 for processing DOD event
  - Mishandling, misuse, accidents or incidents such as, but not limited to, operations exceeding the specifications in the manufacturer's manual;
  - LLP replacement in accordance with the required Minimum Build Standard 12 000 cycles to go (CTG) per each APU;
  - Components and APU Parts that are deemed Beyond Economical Repair (BER), or catastrophic failures;
  - Missing APU Parts or APU Components.

4.2 APU certification shall be issued with dual release EASA and FAA, if not specified before APU induction;

4.3 After each shop visit a Shop Visit Report should be provided within 10 days after APU release date and Dirty Finger Prints should be provided within 30 days after APU release date. Dirty Fingers Prints shall contain all records for APU and LRU, including verification of Airbus MPD tasks;

4.4 All scrapped Parts after each APU shop visit shall remain as property of the Customer and shall be stored free of charge until additional notification but not less than 12 months;

4.5 APU storage after shop visit shall be free of charge up to and including 30 days after APU release date.

## 5. Transportation and delivery point

All units or components shall be delivered to **Provider**, at the address indicated in Exhibit B.

APU or LRUs sent to **Provider** for repair shall be delivered by Customer according to Incoterm DAP (Delivered at Place as per Incoterms 2010) at **Provider**.

Serviceable APU or LRUs after repair shall be delivered by **Provider** according to Incoterm EXW (Ex Works as per Incoterms 2010) at **Provider's** premises.

Delivery terms can be changed in case of the mutual agreement of the Parties.

## 6. Transfer of risk and title

Risks to the removed Equipment shall be transferred from Customer to **Provider** upon receipt by **Provider** or its nominated freight agent, according to the Incoterms and place of delivery mentioned in Exhibit B.

Risks to the overhauled Equipment shall be transferred back from **Provider** to Customer upon receipt by Customer or its nominated freight agent of said overhauled

Equipment, according to the Incoterm and place of delivery mentioned in article Exhibit B

Equipment sent to **Provider** for performance of the Services shall remain Customer's property.

## 7. Requested information

**Provider** requests that Customer supplies the following information, concerning the Equipment to be sent for repair. Failure to provide this information in a timely manner before or upon arrival of the Equipment at **Provider** may cause TAT excusable delays:

Following information required:

---

---

## 8. Material management

**Provider** is fully responsible for the material management and supply, including LLP's. The Minimum LLP Build shall be met without exception, and the Customer shall not be liable for any cost of the LLP cycle life above the requested Minimum Build Standard.

The **Provider** shall return all the scrap material at a designated storage place at its cost with full documentation available.

## 9. APU Turn Around Time TAT and its warranty

9.1 The Turn-Around-Time (TAT) is the period of time required by **Provider** for the performance of the Services on Equipment in Normal Wear and Tear condition, and after which **Provider** shall deliver the Equipment back to Customer, not taking into account possible excusable delays as defined hereafter.

The TAT begins on the first working day following the receipt date of the Equipment at **Providers** facility together with the requested information listed in article 1.4.4, and terminates on the day the Equipment is released as per article 1.4.11.

The applicable contractual TAT are quoted in **Calendar Days**.

The TAT excludes delays attributable to the Customer including but not limited to:

- Missing components;
- Missing or incomplete documentation;
- Time waiting for instructions/approval from Customer;
- Time Awaiting Payment;

### 9.2 TAT warranty

If Customer uses a **Provider** loan APU in replacement of an APU sent to **Provider** for repair or overhaul, and if the contractual TAT is exceeded (net of excusable delays) on the repaired or overhauled APU, then **Provider** will not charge Customer for the daily rental fee of the loan APU, starting on the **second day after last** day of TAT. Customer will then only be liable for the loan APU maintenance fee.

In the event Customer uses a third party loan APU and if the contractual TAT is exceeded (net of excusable delays), **Provider** agrees to provide a replacement APU

free of charge or to reimburse Customer for reasonable daily lease charges including in the event Customer acquires a loaned APU from a third party, starting on the **second day after last** day of TAT.

### 9.3 Excusable delays

**Provider** shall not be responsible nor be deemed to be in fault on account of delay in the delivery of Equipment due to causes beyond **Provider** fault or negligence, including but not limited to:

- Force Majeure events such as fires, floods, explosions, earthquakes, epidemics or quarantine restrictions, acts of Government, act of civil or military authorities, act of god or public enemy, embargoes, war or civil war, insurrections, riots, strikes or Labor troubles causing cessation, slowdown or interruption of work;
- Work on hold awaiting Customer information or decision;
- Delays of Customer to deliver the Equipment to the place of work or in supplying missing items provided that **Provider** has notified Customer of such missing items;
- Delays of Customer in execution of the payment terms;
- Inability after due and timely diligence to procure materials or parts;
- Unforeseen or unscheduled major repairs, or modifications;
- Delays of the required Aviation Authorities or OEM in approving the modification engineering order or a repair concession.

In the event delivery of any Equipment is delayed by one or more of the above causes, **Provider** shall promptly notify Customer of any such delay and the expected extent thereof in writing.

### 10. Testing, Inspection and acceptance

Test runs will be charged on a fixed price basis, including any expendables, fuel and oils used for the test. One test run is included in the NTE price per APU shop visit.

A minimum of one APU test will be required and charged for each APU shop visit. Any additional tests will be charged only if they have been specifically requested by Customer (such as inbound test), or if they are required for reasons that are beyond **Providers** responsibility or control.

Upon receipt of Equipment by Customer at Customer's facility (mentioned in Exhibit B), Customer may inspect the Equipment to ensure compliance with the terms of the Order under which the Equipment was ordered, and with the terms of this Agreement. Customer shall accomplish such inspection and acceptance within fifteen (15) days after receipt of the Equipment. Customer shall promptly notify **Provider** of any discrepancies discovered as a result of such inspection. After such fifteen (15) day inspection and acceptance period, the Equipment shall be conclusively deemed as accepted by Customer.

### 11. APU release

The Equipment will be released to Customer under an **EASA Form 1** release certificate mentioning dual release with FAA regulations, after completion of the Services in **Provider**.

### 12. Scrap material

Scrap material removed from Customer's Equipment shall be identified by **Provider** and shall be reported to Customer in writing.

All scrapped Parts after each APU shop visit shall remain as property of the Customer and shall be stored free of charge until additional notification but not less than 12 months;

### 13. Subcontracting work

**Provider** may subcontract maintenance tasks for Equipment to other qualified party on subcontracting terms by prior agreement with the Customer.

**Provider** guarantees that the subcontractor will provide Customer access to any relevant information concerning the work performed.

Any attraction of subcontractors does not exempt the Provider from its obligations in accordance with this Agreement.

Subcontract works are included in the NTE cost for 1 repair.

### 14. Spare APUs

**Provider** shall provide, upon request from Customer and pending availability, a lease **GTCP 131-9(B)** APU to Customer under standard bailment terms and conditions to be provided in Exhibit D.. Lease rate and maintenance reserves rates shall not exceed market value.

## 15. FINANCIAL CONDITIONS

### 15.1 Validity of prices

Prices are quoted in economic conditions for the year \_\_\_\_\_, and are valid until \_\_\_\_\_. Thereafter, they will be adjusted in accordance with the price adjustment rules defined in article 15.4 below.

The prices are exclusive of:

Custom duties (if any);

Value added tax (if any).

### 15.2 Currency

All charges shall refer to \_\_\_\_\_

### 15.3 Payment terms

The following payment terms shall apply:

The final invoice of the cost of services shall be paid within at least 30 calendar days from the date of its receipt if mutually agreed by both parties.

Invoice copies shall be sent to Customer by electronic means to the following address [amd9@rossiya-airlines.com](mailto:amd9@rossiya-airlines.com). Given that invoices will be sent by electronic means, it will be considered that an invoice receipt date is the same as the invoice sending date. If any part of the invoice is disputed, payment shall be made against the undisputable sum.

Customer bank account:

 Account Number (Saving) :  
 Branch BIC :

Provider has the right to impose a financial fee of half a percent (0.5%) per month on all late payments starting on the thirty first (31st) day from the date of the last payment date of the original invoice.

Parties shall pay bank fees, if any, charged by their appropriate banks. For avoidance of any doubt Parties shall not pay any bank fees charged by a bank of the other Party.

#### 15.4 Price adjustment rules

Prices will remain valid until \_\_\_\_\_. They will thereafter be escalated on a yearly basis, according to the escalation rules specified hereunder.

- Labor rates shall be increased with \_\_\_\_\_-per calendar year;
- Material prices shall be increased by the same ratio as the latest average increase of the OEM's prices within its parts catalogue.

Annual escalation of the NTEP shall not exceed \_\_\_\_\_

#### 16. Warranty

**Provider** warrants its workmanship and the workmanship of its subcontractors conforms to the requirements and specifications of the manufacturer for the period, and/or running hours/months, whichever occurs first, as specified in Exhibit A.

**Provider** further warrants that components manufactured by **Provider** shall be free from defects in material and workmanship. Should components from other sources supplied and/or installed by **Provider** not be free from defects, **Provider** will, to its best effort, claim this on behalf of Customer with the original supplier in order to hold Customer free from such disputes or provide all reasonable assistance to Customer in pursuing warranty claims. Customer agrees to furnish applicable information and documentation to assist **Provider** in its pursuit of such warranty claims should such information and/or documentation become necessary.

THERE ARE NO OTHER REPRESENTATIONS OR WARRANTY OF **Provider**, WHETHER EXPRESSED OR IMPLIED, THE CUSTOMER WAIVING ANY RIGHT IT MIGHT HAVE FOR COMPENSATION FOR INDIRECT, CONSEQUENTIAL AND INCIDENTAL DAMAGES OF LOSS OF USE AND/OR REVENUE.

**Provider's** responsibility under this warranty is further limited by the following conditions:

Defects must be discovered before expiration of the warranty limits and **Provider** is given prompt written notification at the time such defects are discovered.

The notification shall describe the nature of the defect in detail and the date and time of the discovery and removal.

The Equipment has not suffered damages arising from misuse against the manufacturer's instructions and/or recommendations and has not been subjected to neglect, Accident or damage by the elements repaired or altered outside of **Provider**;

The Equipment has been handled and transported in accordance with the manufacturer's instructions as indicated in the relevant OEM manuals;

The Equipment is returned promptly to **Provider**, after notification of the defects has been given to **Provider**; and **Provider**; is afforded the opportunity of performing corrective work.

#### Warranties:

The Provider should guarantee as a minimum 2500 APU Hours or 18 months of APU operation (whichever comes first) free of any defects arising out of the Shop Repair workmanship.

Each part or unit supplied, repaired/overhauled by the Provider, its vendors and subcontractors, when installed on/in the APU will have warranty coverage after APU release date:

- for the factory-new parts: within 2500 APU Hours or 18 months, whichever comes first;
- for repaired/overhauled parts: within 1500 APU Hours or 12 months, whichever comes first.

## 17. Insurance

**Provider** shall maintain during the whole term and any renewal terms of this Agreement, at its own cost and expense, General Legal Liability Insurance policy (including Products Liability) for the replacement value of the APU, in respect of any claim or claims arising out of any one incident or occurrence arising pursuant to its performance under this Agreement, including but not limited to bodily injury, material and moral damages and physical loss of or damage to the Customer's aircraft. Prior to the commencement date of this Agreement and on request of Customer, shall provide reasonable evidence of insurance as required to be maintained by sending an insurance certificate.

## 18. Termination

### i. Default

Should either Party fail to perform any of their duties or material obligations under this Agreement, and such failure continues for ninety (90) days after written notice of such default from the other Party, then the non-defaulting Party may terminate this Agreement within a reasonable period of time thereafter, effective immediately upon written notice of termination to the defaulting Party, without prejudice to any other rights or remedies the non-defaulting Party may have.

### ii. Bankruptcy

In the event either Party (i) makes a general assignment for the benefit of creditors or becomes insolvent, (ii) files a voluntary petition in bankruptcy, (iii) petitions for or acquiesces in the appointment of any receiver, trustee, or similar officer to liquidate or conserve its business or any substantial parts of its assets, (iv) commences under the applicable laws of any competent jurisdiction any proceeding involving its insolvency, bankruptcy, reorganization, readjustment of debt, dissolution, liquidation or any other similar proceeding for the relief of financially distressed debtors, (v) becomes the object of any proceeding or action of the type defined in (iii) or (iv) above and such proceeding or action remains undismissed or unstayed for at least thirty (30) days, or (vi) is divested of a substantial part of its assets for at least thirty (30) days, it shall constitute an anticipatory breach of the Agreement contract by that Party for the purpose of any determination of the other Party's rights and remedies at applicable law, including the right to terminate this Agreement by providing written notice of termination to the other Party.

## 19. Compliance with law

Customer shall comply with all laws and regulations relating to the possession, leasing, operation, control, use, maintenance, delivery and/or return of the Equipment and shall defend, indemnify, and hold **Provider** harmless from any and all costs and expenses in connection with any actual or asserted violations by Customer.

## 20. Confidentiality

Customer agrees to retain, in confidence, all information received from **Provider** with respect to any Product in this Agreement and not to use such information for any purpose not contemplated by this Agreement or disclose such information to any other party unless the information: is in the public domain through no act of Customer; is previously known to Customer on a non-confidential basis; is received by Customer from a third party having no obligation of confidentiality to **Provider**; or is required to be disclosed by law or legal process. Any expiration or termination of this Agreement shall not alter the rights or obligations of strict confidentiality, including but not limited to the

obligations of Customer arising during the term hereof with respect to information disclosed by **Provider** to Customer prior to such expiration or termination.

## **21. Export Control**

This Agreement may be subject to export laws and regulations dealing with the final destination control, and the Parties acknowledge that diversion contrary to such export regulations is prohibited. Should an export license become necessary, Customer will provide **Provider** with all information necessary to examine such requirement of approval.

Should an export license become necessary, shipment of any Equipment covered by this Agreement shall be subject to the issuance of an export license which will be requested timely by **Provider**.

Customer will take all reasonable steps in cooperation with **Provider** so as to help **Provider** to obtain such a license. **Provider** shall be under no liability if such export license is not obtained or is withdrawn or is not renewed.

## **22. Intellectual property rights**

The performance by **Provider** of the Services shall not constitute in any way for Customer a transfer or any right of use, of all or part of the intellectual property rights owned by **Provider** or licensed to **Provider** by any third party. **Provider** shall remain the exclusive owner of any intellectual property rights related to the Services such as but not limited to: job cards, task cards or industrial process.

## **23. Amendments**

Oral statements and understandings are not valid or binding. No amendment of this Agreement shall be effective unless the Parties hereto duly execute a written amendment, signed by their duly authorized officers.

## **24. Successors and assigns**

Neither Party herein shall have the right to assign, delegate or otherwise transfer any rights or obligations under this Agreement, or Order subject to these standard terms and conditions of sale or any service interest hereunder, unless such assignment, delegation or transfer is agreed to in writing by the other Party. Any assignment in violation of this provision is null and void.

## **25. Severability**

If any provision of this Agreement or any order based thereon is or becomes void or unenforceable by force or operation of applicable law, the other provisions shall remain valid and enforceable, and the Parties shall substitute for the stricken provision another provision of as similar effect as is permitted by applicable law so as to accomplish the legally permissible purposes of the Parties which were intended by the stricken provision.

## **26. Non waiver**

**Providers** or Customer's failure at any time to enforce any provision of this Agreement does not constitute a waiver of such provision or prejudice either Party's right to enforce such provision at any subsequent time.

## **27. Precedence**

In case of conflict between this Agreement and the orders/purchase orders making reference to this Agreement, the Agreement shall prevail over the orders/purchase orders. For the avoidance of doubt, it is expressly stated that all orders/purchase orders are placed with Customer's unqualified acceptance of the terms and conditions of this Agreement which, unless otherwise expressly agreed between **Provider** and Customer shall govern the performance by **Provider** of the Services, and

are exclusive of Customer's own general conditions of purchase and of any other document issued by Customer.

## **28. Headings**

The headings of any clauses, sub-articles or Articles are given only for convenience and shall not in case interpreted so as to extend or limit the interpretation of such clauses, sub-articles or Articles.

## **29. Anti-corruption stipulation**

29.1 While performing its obligations under the Agreement, the Parties, their employees do not pay, do not offer to pay, and do not acquiesce in payment of any money or values, directly or indirectly, to any people for influencing the acts or decisions of those people so as to obtain any unfair preferences or for any other inappropriate end.

While performing its obligations under the Agreement, the Parties, their employees do not carry out any activities that in accordance with the legislation are qualified for the purposes of the Agreement as giving/taking, commercial bribery, illegal gratification, abuse of power, as well as any actions that violate applicable legal requirements and international acts on counteraction to legitimization of proceeds of crime.

29.2 If the Parties have any suspicion of the occurrence or possible occurrence of any violation of the provisions stipulated in the first and second paragraph of this sub-clause, the corresponding Party shall notify the other Party in writing. In its written notification the Party should refer to the facts or provide materials reliably confirming or giving reason to believe that there has occurred or may occur any violation of any provisions of the first and second paragraph of this sub-clause by the other Party, its employees, which in accordance with the legislation are qualified for the purposes of the Agreement as giving/taking, commercial bribery, illegal gratification, abuse of power, as well as any actions that violate applicable legal requirements and international acts on counteraction to legitimization of proceeds of crime. Upon receipt of a written notification the Party to which it was sent, will direct a confirmation that the violation did not happen or will not happen. This confirmation should be directed within thirty (30) calendar days from the date of receipt of the written notification.

29.3 In case of violation by any Party of its obligations to refrain from any actions referred to in the first and second paragraph of this sub-clause, the other Party shall be entitled to terminate the Agreement unilaterally and without any judicial procedures by giving a written notice of termination. The Agreement is deemed to be terminated after expiry of thirty (30) calendar days from the date of receipt by the corresponding Party of a written notice of termination. The Party initiating termination of the Agreement, in accordance with the provisions of this paragraph shall be entitled to claim compensation for actual damages resulting from such termination. The compensation term amounts to thirty (30) calendar days after the date of receipt of the corresponding claim from the Party initiating termination of the Agreement.

## **30. Previous agreements**

This Agreement supersedes any agreement(s) and/or previous provision(s), whether written or verbal way, which may have occurred between both Parties on the matter subject of the Agreement, before its signature.

### 31. Jurisdiction and applicable law

2.19.1 This Agreement shall be governed by and interpreted in accordance with the laws of \_\_\_\_\_

In the event, however, that Customer and **Provider** fail to resolve any disputes through negotiations, Customer and **Provider** hereby irrevocably consent and agree that any legal action, suit or proceeding arising out of or in any way connected with this Agreement, shall be instituted in the courts of \_\_\_\_\_

### 32. Applicable language

All correspondence, documents and other written matters (including technical documents) in connection with this Agreement shall be in English.

This Agreement have been agreed and prepared in the English language. In the event of any translation of this Agreement or any part thereof into other language, the same shall continue to be construed and interpreted according to the English language version which shall therefore prevail in the event of any conflict.

### 33. Term of the agreement

This Agreement shall become effective on \_\_\_\_\_ , **2018** (the Effective Date), and shall remain in effect for a period of two (2) calendar years thereafter.

### 34. Signature of the agreement

In witness thereof this Agreement has been executed in duplicate by a duly authorized representative of each one of the Parties hereto.

Each Party acknowledges receipt of its own original copy in English.

APU Parts provided and installed by maintenance **Provider**:

- 7) Maintenance **Provider** shall inform Customer prior to installation of replacement LLP or other component previously not installed in the APU (other Part number or serial number, or not original Part for this APU) and receive approval for installation of such Part;
- 8) All Parts proposed (other than new) for installation shall be certified by the OEM APU Shop Manual. If contractually maintenance **Provider** must provide a replacement Part due to Inclusions in the NTE then replacement Part offered must meet this requirement and approved by Customer. Maintenance **Provider** has no rights to skip it or make a decision at its own.
- 9) All materials or components not included in the NTE should be considered as O&A and therefore should be approved by Customer.
- 10) Customer approval needed for all O&A labor and materials with cost greater then USD 10 000 per each
- 11) Back to Birth Records of Used LLPs offered must ultimately meet following requirements:

- a) each LLP offered meet the conditions of aviation authorities;
- b) there shall be a proof of origin for LLP offered;
- c) includes Life Limited Part Maintenance Record sheet and Life Limited Part log;
- d) Non-incident/non-accident statements (NIS);
- e) the latest certificate of serviceability (EASA Form 1 or dual releases);
- f) Compliance all Manufacturer Requirement Storage statement for the LLP offered if Part was stored more than 3 months since the last certification;

12) No DER or PMA Parts are allowed for installation onto/into the APU

#### FOD influence on the NTE

In case of FOD event, the NTE shall be reasonably reduced and agreed with Customer for the APU Parts impacted and then all these Parts shall be charged on Time and Material basis. Reduction of the NTE for the APU Parts impacted due to FOD is applicable if they are initially included in the NTE offered.

#### DOD influence on the NTE

In case of DOD event, the NTE shall be reasonably reduced and agreed with Customer for the APU Parts impacted and then all these Parts shall be charged on Time and Material basis. Reduction of the NTE for the APU Parts impacted due to DOD is applicable if they are initially included in the NTE offered.

## Exhibit D    APU LEASE CONDITIONS

A loan APU will be provided to the Customer, if required, for the contracted repair TAT of the Customer. Loan charges are in the price matrix below:

Price Matrix	GTCP 131-9(B)
APU Daily Loan Charge	
APU Hourly/Cycle Operating Charge	
APU Post Loan Test	
Deposit For Loan APU	
Additional Labor Per Hour	
Material Mark Up	

Lease APU shall meet following requirements at delivery:

- 6) The APU shall not have any Open Deferred Items, limited interval of inspection of any APU Part, On-Watch items;
- 7) The APU should not have any DER/PMA Parts;
- 8) APU Certification per EASA or dual release EASA and FAA;
- 9) Full package of all historical documents and records
- 10) Borescope Inspection report;

Lease APU shall be in serviceable condition and met following requirements at redelivery:

(III) Documentation package at redelivery:

- Non-Incident Statement;
- LLP phase out Status;
- EASA Airworthiness Directives Status;
- No PMA DER statement;
- Certification for replaced components.
- Removal Tag.

(IV) Condition at redelivery:

- "as is, where is with all faults" without any additional maintenance for return

Prior to the payment of the income received under Appendix "D", the **Provider** must provide written confirmation of the status of the company - the certificate of residence, as well as a written confirmation of the right to actually receive income (FPD). In the event of a change in the status of the actual recipient of income (FPD), the **Provider** shall notify the Customer in writing.
